HMR 18 D

Expertly crafted to transform your on-water adventures, the HMR 18D merges advanced technology, seamless connectivity, and exceptional sound quality, now enhanced with integrated DAB+ digital radio. This feature-rich source unit is the ultimate audio companion for your marine lifestyle. Enjoy full control of your onboard audio with two independent zones, each featuring its own dedicated subwoofer output—allowing you to tailor the soundscape to different areas of your boat and meet every guest's unique preferences. With Bluetooth® 5.0 integration and DAB+ clarity, the HMR 18 D ensures flawless streaming and crystal-clear radio reception for an unparalleled listening experience on the water.
